MEMORANDUM FOR: IP Coordinators**SUBJECT : NBS memo attached**

1. I believe that the Agency should participate in this activity as an observer with talking rights. The Agency representative would bring in any problems which we may wish to present or react to problems that may be presented to us by actions of other government components.

2. I would propose that [REDACTED] from our staff participate in these sessions on the basis that he has a wide knowledge of Agency equipment and applications. I am anxious to have any alternative suggestions you may have before cob Monday 15 July 1968.
